

Moonlight Gala

AN AMERICAN CANCER SOCIETY EVENT

Dear Friend of the American Cancer Society,

Moonlight Gala 2018 promises to be a spectacular night for all who attend this wonderful American Cancer Society event. This year we are pleased to announce that the event will be held at the beautiful Casa De Lago in Acampo on Saturday, August 4, 2018.

Please join us by becoming a sponsor.

Your sponsorship will be used to continue our many programs such as cancer research and local patient services. The following is a short list of services and accomplishments the American Cancer Society is able to celebrate because of the support from our generous supporters.

- We have had a hand in nearly every major cancer breakthrough in this century and 47 of our funded researchers have gone on to win the Nobel Prize.
- We are committed to providing accurate and timely information to cancer patients, families, and caregivers 24/7 through our toll-free hotline(1-800-227-2345) and website (www.cancer.org).
- We provide brand new wigs to women who have lost their hair to cancer treatment.
- We offer rides to cancer appointments and lodging assistance during treatment.
- We provide one-on-one help to breast cancer patients to give comfort to those newly diagnosed.
- We educate the community about the importance of cancer screenings and making healthy lifestyle choices to lower the risk of developing cancer.

The Society is committed to providing the highest quality information to cancer patients and caregivers, improving the quality of life for local patients with cancer, increasing the prevention and early detection of cancer, and eliminating disparities in cancer care.

You'll be proud to know that your contributions enable the American Cancer Society to touch people wherever they live, whenever they need it. Every second of everyday, the American Cancer Society is helping someone who's facing cancer. What's more, for the past century, the organization has played an important role in nearly every major cancer breakthrough. Your generous financial commitments have made all of this possible.

We hope you will consider supporting the American Cancer Society and the Moonlight Gala for 2018. In order to receive maximum marketing benefits, please reply by **May 15, 2018**.
